

Competition Gleisdreieck, Berlin (GER)

project **Open competition for landscape ideas and realisation competition for „Park auf dem Gleisdreieck“** contracting authority **Land Berlin, represented by the Senatsverwaltung für Stadtentwicklung** planning **WW+ architektur + management sàrl (LUX)**

Compendium

The aim of the competition for the „Park auf dem Gleisdreieck in Berlin“ is the reconnection of an area into the city structure, which was taken out of its context since the middle of the 19th century.

The two level competition consists of making a gentle concept of the whole 42 ha. Emphasis of the work is the future „Park auf dem Gleisdreieck“.
